and
the point is
SERVICE

Service is a much talked about subject in sales talks... but, like the weather, seldom is there anything done about it!

At this time, we would like to renew this resolution to you:

To give you the prompt, reliable service we promised you with the sale of all articles from our store.

This resolution is a simple one to fulfill when you live so close to our business.

CREDIT TERMS

Your resolution this year no doubt included keeping your 1955 budget balanced at any cost...

You'll be happy to know that for years we have extended lenient credit terms, designed to ease your budget during any year.

Be certain you buy all your furniture in Torrance, you'll be happier for it!
